R20060116_18
Rotated grid containing original, modified and anomaly fields
ORG_20060116_18
Contains original wind, temperature and Ertel's potential vorticity
MOD_20060116_18
Contains modified wind, temperature and Ertel's potential vorticity
ANO_20060116_18
Contains anomaly wind, temperature and Ertel's potential vorticity
REF_20060116_18
Contains grid parameters, Coriolis parameter and reference profile
